

Housing & Economic Development Work Group: Small Group Session Worksheet
"Implications of Future Trends & Considerations"

Please return completed worksheet to Michelle St. Clair or Steve Steinhoff for use during final discussions of housing and economic development goal & objective recommendations by the work group.

1) What are the most important planning challenges and other trends for our work group to consider?

2) Based on the presentation, do you see any new goals or objectives for HED, or are modifications to any current HED goals and objectives needed? If yes, what do you suggest?

(OVER)

3) In what other ways does this information on planning challenges and trends affect our work group's goals and objectives for housing & economic development?

4) Are there planning challenges or trends that might be addressed with or by the other two comprehensive planning work groups or the Steering Committee (intergovernmental cooperation, land use issues)? If yes, please explain.

Please return completed worksheet to Michelle St. Clair or Steve Steinhoff.
