| <b>HOUSING GOAL 3:</b>  | <b>Promote housing that maintains and improves the quality of life for all.</b> |  |                    |                   |
| <b>Housing Objectives</b>   |   |  |                    |                   |
| a. Encourage mixed-use communities and neighborhoods.   |   |  |                    |                   |
| b. Encourage (development/location of) communities and neighborhoods close to jobs, mass transit, and pedestrian and bicycle transit options. |   |  |                    |                   |
| c. Promote economic and culturally diverse housing in communities and neighborhoods.  |   |  |                    |                   |
| d. Promote a balance of employment and housing opportunities within communities.  |   |  |                    |                   |
| e. Promote housing development that protects environmental corridors and promotes open space.   |   |  |                    |                   |
| f. Encourage housing development that protects environmental corridors and promotes open space.   |   |  |                    |                   |

| <b>Housing Objectives</b>   |   |  |                    |                   |
| g. Encourage housing development that has the least impact on or enhances existing and local regional facilities.                                 |   |  |                    |                   |
| h. Support the enhancement and preservation of the character and livability of neighborhoods.   |   |  |                    |                   |
| i. Support the maintenance and rehabilitation of historic buildings and structures.   |   |  |                    |                   |
| j. Promote and enhance community identity and create a sense of place.  |   |  |                    |                   |
| k. Promote cooperation and reduce competition between communities to provide a balance of employment and housing opportunities among communities. |   |  |                    |                   |
