Date: May 16, 2006

In the interest of ensuring the effective implementation and the long-term viability of the Dane County comprehensive plan, the HED Work Group would like to make the following policy recommendations for inclusion in the comprehensive plan document:

- 1) Develop and establish a system to regularly monitor, evaluate and report on the performance of the comprehensive plan, as well as to make improvements to the Dane County Comprehensive Plan
- 2) Identify a group of residents, stakeholders, and elected officials, or a committee of the County Board to:
 - a) Identify resources for implementation of the comprehensive plan
 - b) Oversee the implementation of the comprehensive plan recommendations

The HED Work Group will be including similar recommendations in both the housing and economic development sections of the Dane County Comprehensive Plan.
