

This is a copy of an email that was sent out to the Dane County Comprehensive Plan Agricultural, Cultural, and Natural Resources (ANCR) Work Group and the Housing and Economic Development (HED) Work Group on December 3rd, 2003. Its contents pertain to the ANCR and HED upcoming joint meeting on December 10th, 2003.

The next meeting of the Agricultural, Natural & Cultural Resources work group for the Dane County Comprehensive Plan has been set for **Wednesday, December 10 at 6:30 at the Alliant Energy Center**. This will be a joint meeting with the Housing and Economic Development work group to discuss arts and cultural resources (not including historic or archeological preservation). An agenda is attached.

Featured speakers include:

- Helen Johnson, Mayor of Stoughton, WI and former County Board member / County Zoning & Natural Resources Committee Chair (go to <http://www.ci.stoughton.wi.us/planning/01smart.htm> for info on Stoughton's Comprehensive Plan)
- Anne Katz, Executive Director of the Wisconsin Assembly for Local Arts (see <http://www.wisconsinarts.org/> for more info)

I have also attached some information and a request from Dane County Cultural Affairs Commission (<http://www.culturalaffairscommission.com/>) chair Barry Robinson, and a summary of County Comprehensive Plan discussions related to arts and culture to date.

As always, the public is welcome to attend.

Those of you who have requested information by mail will be receiving hard copies of all attachments shortly. We'll also try to get all attachments posted on the Comprehensive Planning website in advance of the meeting. For those of you receiving notices by e-mail only, please let me know immediately if you have any difficulty opening attached files or downloading them from the website, and we'll make arrangements to get hard copies to you.

Thanks again for your enthusiasm and commitment.
