

Steering Committee Flip Chart

04/7/2004

Cost Savings

- Achieve efficiencies such as..(List of examples)

Bigger Service Centers

- Good to expand services, yet yields greater costs

Higher levels of service

- Focus is on cost effectiveness (ie best service at best prices) also some mention of technological advances

Local Control

- Responsibility

Cooperative Agreements

- They're good
- Cost/Benefit Balance

Outline Potential County Role in Conflict Resolution and Mediation

- Direct Participant
- As an aid to the local municipalities.

Community Separation

- Has been significant focus of recent local agreements

Regional Cooperation on issues that transcend jurisdictional lines

- Promote communication
- Provide Inclusive Forum
 - Inclusive – Involve all parties, jurisdictions, and functional groups.
- Propose process (or process guidelines) to resolve intergovernmental disputes.
- Boundary and Plan Consistency – combine these two
- Inventory and Information on Intergovernmental Cooperation
- Define the county role in Intergovernmental Conflict when it is directly involved in with other units of government. (Town, Village, City, state, Fed., and other Counties)
