

Guidelines for policy/recommendation development exercise:

1. One policy per post-it note
2. One sentence per policy
3. One idea per statement
4. If you like one of the example statements simply write the corresponding number on the post-it note.

Criteria for policies/recommendations:

1. Does this address the group's primary goals? Objectives?
2. Can this be implemented?
3. Is this in the best interest of the larger community?
4. Is this practical and effective?
5. Is this likely to create negative consequences?
6. Does it uphold standards of fairness, efficiency and scientific merit?
