City County Building, Room 362

Subject: Amendment to the Dane County Water Quality Plan, revising the Badger Prairie Limited Service Area boundary and Environmental Corridors in the Town of Verona and merging the Badger Prairie Limited Service Area into the Verona Urban Service Area

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on August 24, 2010 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 4.2 acres to the Badger Prairie Limited Service Area and then merges the entire Badger Prairie Limited Service Area into the Verona Urban Service Area. There are no environmental corridors. The amendment area is located on the north side of the Verona Avenue, west of Maple Grove Drive, in the Town of Verona (See Map 1).

The proposed amendment was requested by the Town of Verona and will accommodate a new County health care facility which will replace the existing facility located in the current Limited Service Area. The amendment was adopted by the Capital Area Regional Planning Commission per Resolution CARPC No. 2010-11 on August 12, 2010.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to sections 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review must name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. All requests for contested case hearings must be made in accordance with section NR 2.05(5), Wis. Adm. Code, and served on the Secretary in accordance with section NR 2.03, Wis. Adm. Code. The filing of a request for a contested case hearing does not extend the 30 day period for filing a petition for judicial review.

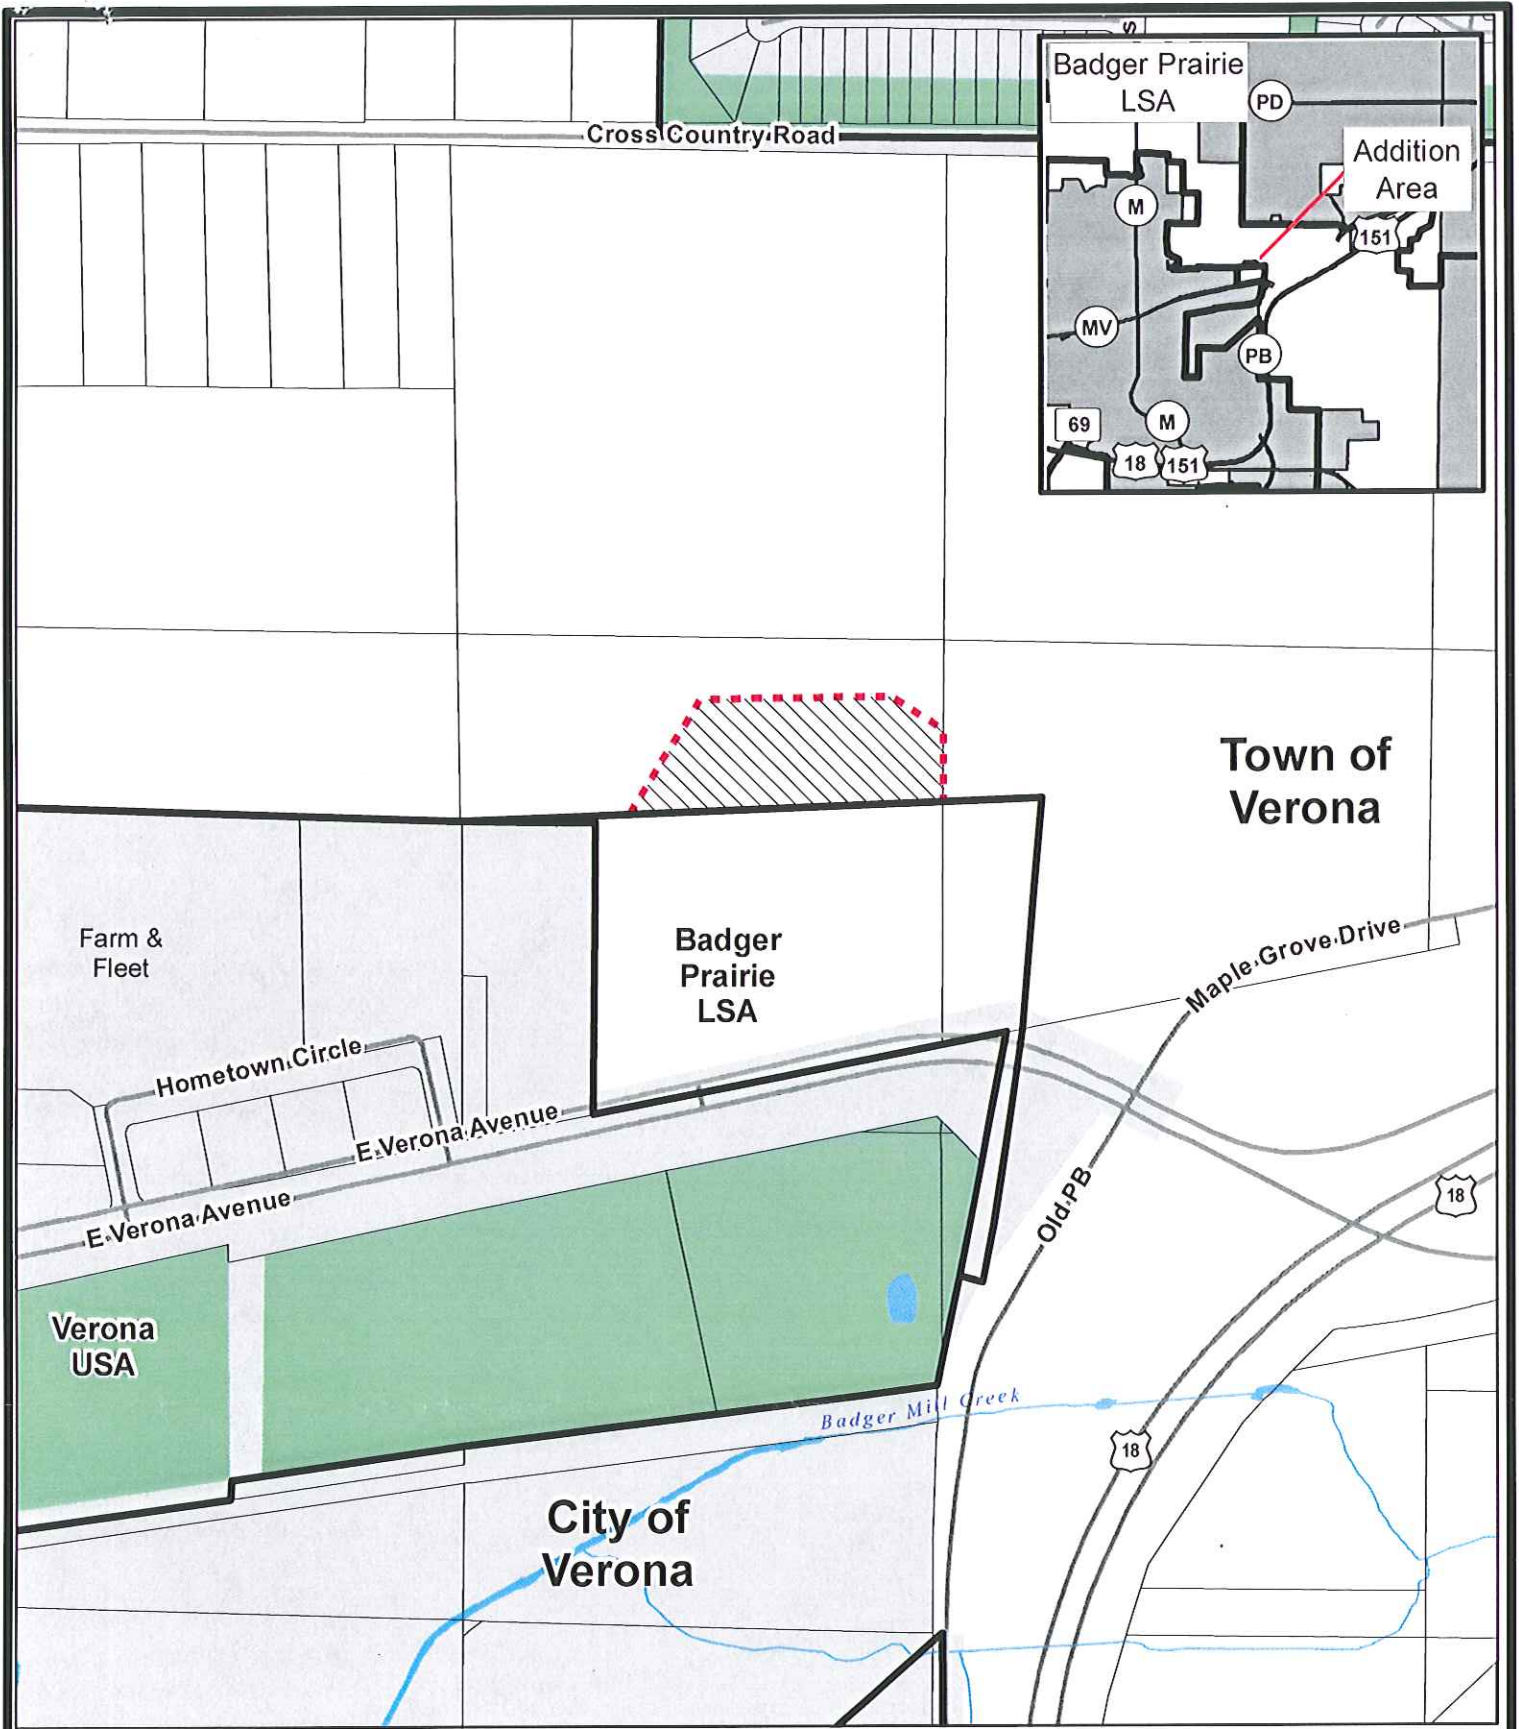

Sincerely,

Thomas J. Muga, Chief
