Central Urban Service Area Boundary in the City of Madison.

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on January 29, 2010 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 0.3 acres to the Central Urban Service Area. The amendment area is a residential lot, with a failing septic system, and is located at 3497 Cottage Grove Road, in the City of Madison.(See Map 1).

The proposed amendment was requested by the City of Madison on October 7, 2009, and was adopted by the Capital Area Regional Planning Commission per Resolution CARPC No. 2009-12 on November 12, 2009.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes, administrative rules and case law establish time periods within which requests to review Department decisions must be filed. To request a contested case hearing pursuant to section 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. All requests for contested case hearings must be made in accordance with section NR 2.05(5), Wis. Adm. Code, and served on the Secretary in accordance with section NR 2.03, Wis. Adm. Code. The filing of a request for a contested case hearing is not a prerequisite for judicial review and does not extend the time period for filing a petition for judicial review.

For judicial review of a decision pursuant to sections 227.52 and 227.53, Wis. Stats., you must file your petition with the appropriate circuit court and serve the petition on the Department within the prescribed

time period. A petition for judicial review must name the Department of Natural Resources as the respondent.

Sincerely,
