Resolution CARPC No. 2008-2

Adopting the Revised Regional Goals and Objectives of the *Dane County Land Use and Transportation Plan* as the Regional Development Framework and as part of the Regional Master Plan for the Capital Area Regional Planning Commission

WHEREAS, the Capital Area Regional Planning Commission (CARPC) was created by Executive Order 197 effective May 2, 2007, consistent with 66.0309 of the Wisconsin State Statutes; and

WHEREAS, the CARPC has reviewed the goals and objectives of the *Dane County Land Use and Transportation Plan* which was adopted in 1997 by the Dane County Regional Planning Commission (DCRPC) with extensive public participation and input; and

WHEREAS, discussion by the Commission members has resulted in revisions to the said goals and objective; and

WHEREAS, the Commission scheduled and conducted a public hearing on January 24, 2008 on the proposed revisions, and has received written comments on the goals and objectives; and

WHEREAS, the goals and objectives are intended to establish a vision for the region and are generally related to the advisory aspects of the Commission's duties and responsibilities; and

WHEREAS, those goals and objectives that are required for service area expansion or related to the regulatory water quality planning functions of the CARPC are separately reflected in the policies and criteria of the *Dane County Water Quality Plan* and enforced through the water quality planning functions of the CARPC; and

WHEREAS, the goals and objectives are used by the CARPC in collaborative work with the local units of government in the region and through the promotion of consistency between local and regional plans; and

WHEREAS, the goals and objectives are consistent with the elements of the state Comprehensive Planning law, §66.1001, Wis. Stats.

NOW, THEREFORE, BE IT RESOLVED THAT The CARPC adopts the Dane County Land Use and Transportation Plan Goals and Objectives as revised 12/14/07 as a development framework guide for the region and as part of the Regional Master Plan under §66.0309, Wis. Stats.
