NR File No. DC-0116

Subject: Amendment to the *Dane County Water Quality Plan*, Revising the
Urban Service Area Boundary and Environmental Corridors in the Village of Marshall

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on April 14, 2008 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 63.8 acres to the Marshall Urban Service Area, including 29.3 acres of environmental corridor, with a net addition of 34.5 developable acres. The amendment area is located in the southeast corner of the Village of Marshall, south of Main Street (Highway 19) and east of Deerfield Road (Highway 73), and includes both residential and commercial/industrial uses. (See attached Map 1.)

The proposed amendment was requested by the Village of Marshall on July 11, 2007 and was adopted by the Capital Area Regional Planning Commission per Resolution CARPC No. 2008-6 on March 27, 2008.

This Department approval is subject to the condition that the Village of Marshall comply with all the conditions stated in Resolution CARPC No. 2008-06 regarding stormwater management plans and designation and protection of environmental corridors.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe you have a right to challenge this decision made by the Department, you should know that Wisconsin statutes, administrative codes and case law establish time periods and requirements for reviewing Department decisions.

To seek judicial review of the Department's decision, sections 227.52 and 227.53, Stats., establish criteria for filing a petition for judicial review. Such a petition shall be filed with the appropriate circuit court and shall be served on the Department. The petition shall name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Stats., and ch. NR 2, Wis. Adm. Code, you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review.

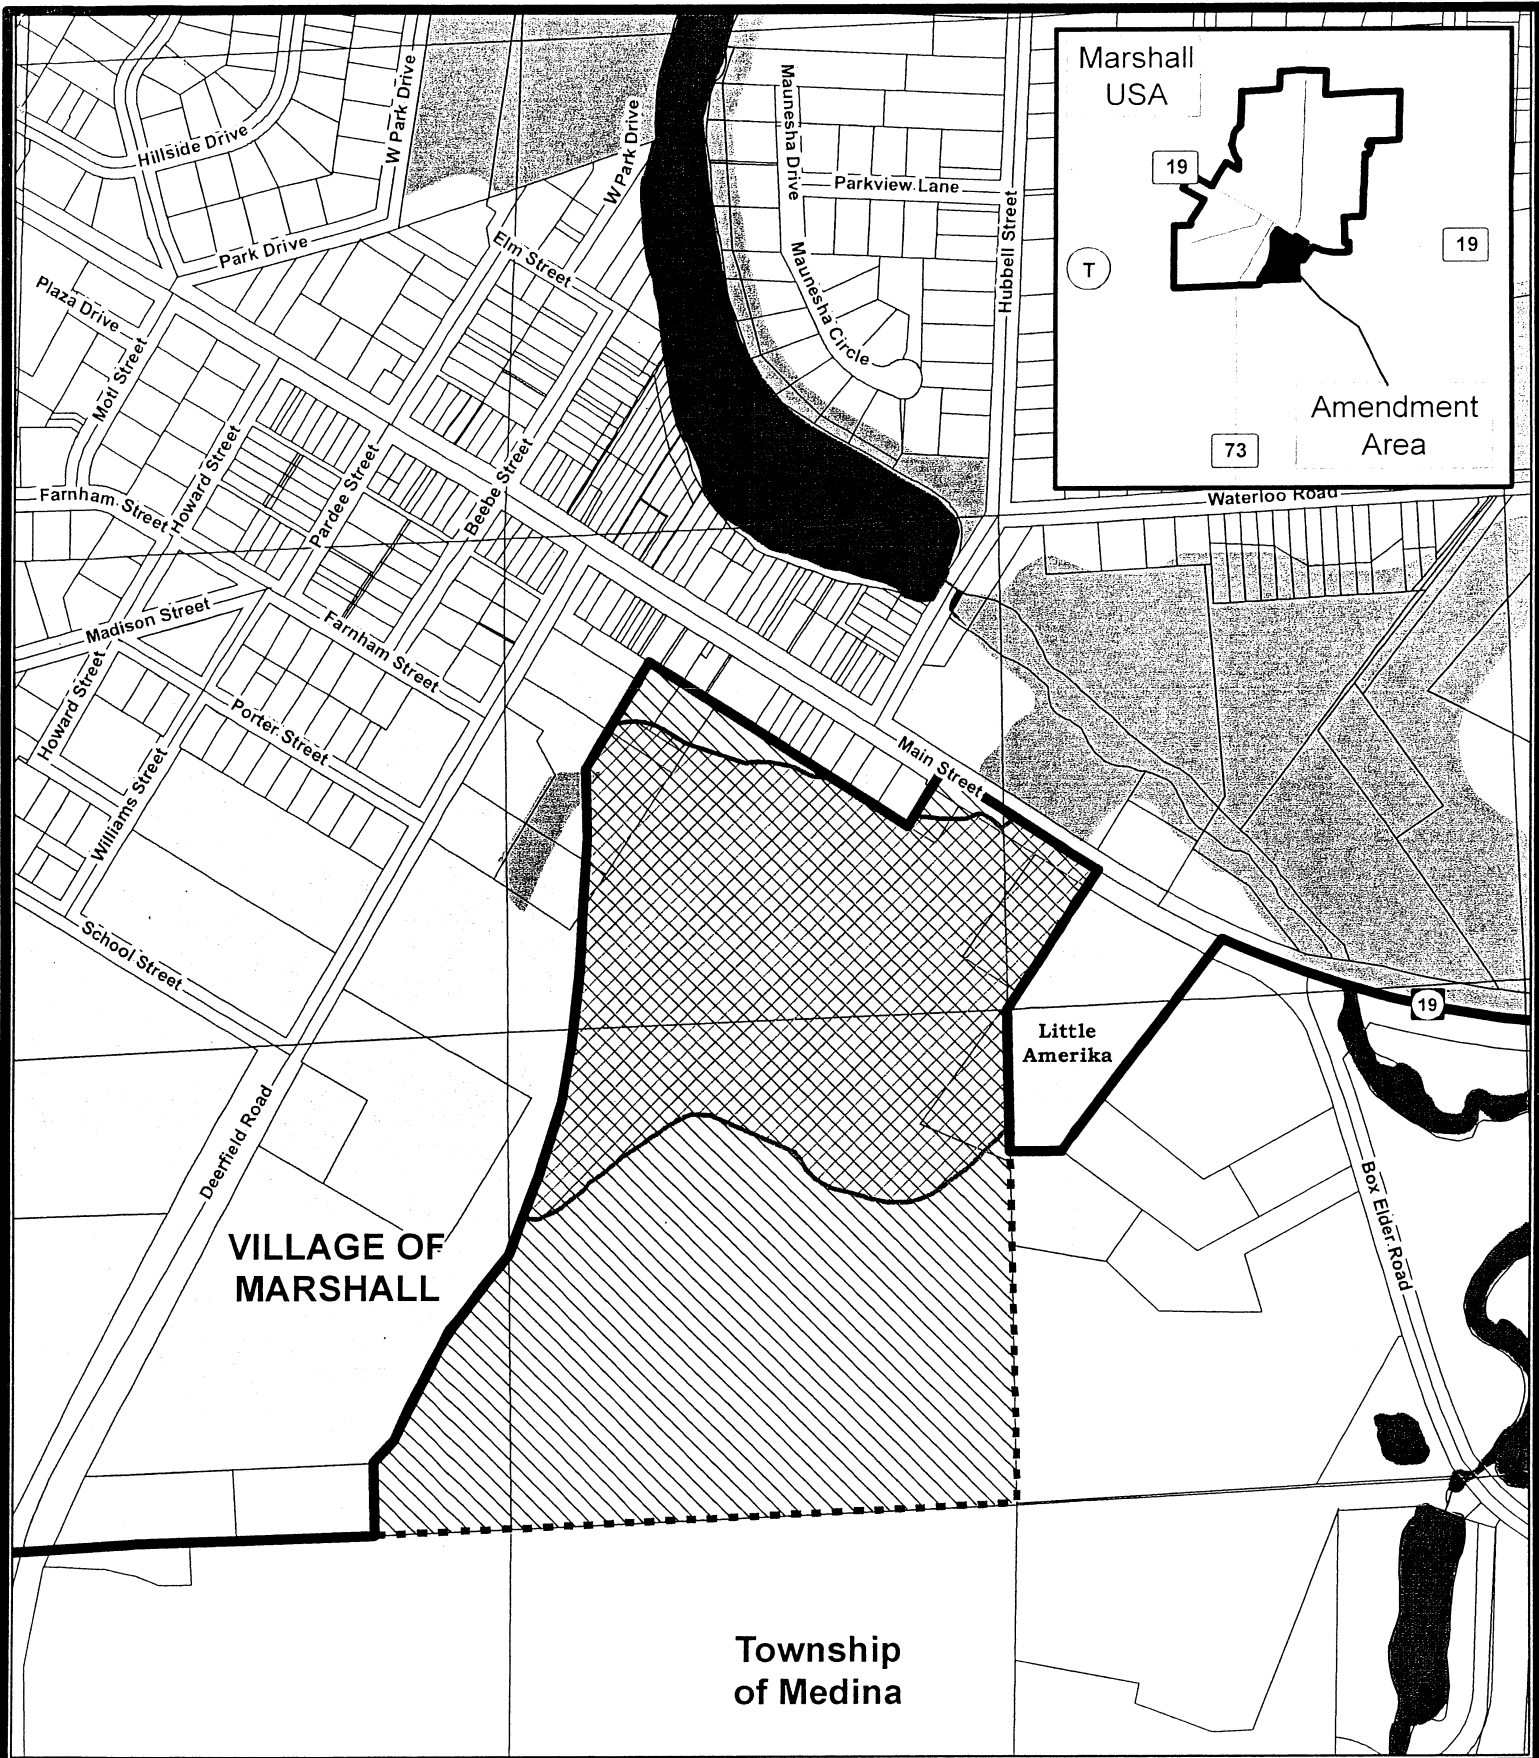

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Ambs', written over a faint, illegible typed name.
