Subject: Amendment to the *Dane County Water Quality Plan*, Revising the Roxbury Urban Service Area Boundary and Environmental Corridors in the Town of Roxbury and designating the Roxbury Urban Service Area as a Limited Service Area.

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on May 14, 2008 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 5.2 acres to the Roxbury Urban Service Area, all of which is developable. There are no environmental corridors proposed and no existing development within the amendment area. The amendment also proposes a change in the designation of the Roxbury Urban Service Area to a Limited Service Area because the Town does not intend to provide municipal water service within the 20-year planning period (see attached Map 1).

The proposed amendment was requested by the Town of Roxbury on June 22, 2007 and was adopted by the Capital Area Regional Planning Commission per Resolution CARPC No. 2008-08 on April 24, 2008.

This Department approval is subject to the condition that the Town of Roxbury comply with all the conditions stated in Resolution CARPC No. 2008-08 regarding a stormwater management plan and the designation of environmental corridors to include stormwater facilities.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe you have a right to challenge this decision made by the Department, you should know that Wisconsin statutes, administrative codes and case law establish time periods and requirements for reviewing Department decisions.

To seek judicial review of the Department's decision, sections 227.52 and 227.53, Stats., establish criteria for filing a petition for judicial review. Such a petition shall be filed with the appropriate circuit court and shall be served on the Department. The petition shall name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Stats., and ch. NR 2, Wis. Adm. Code, you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review.

Sincerely,

A handwritten signature in black ink, appearing to read 'Todd L. Ambs', written over a horizontal line.
