## TIPS FOR SAFE BOATING ON DANE COUNTY LAKES

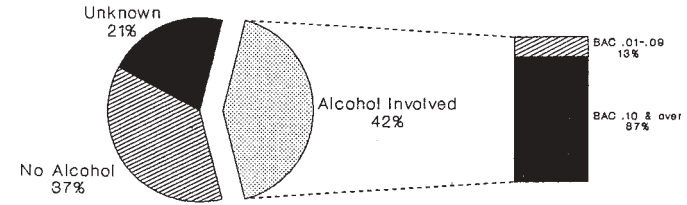

### Respect the rights of other boaters

Keep a watch for ALL boats, swimmers and waterskiers. Motorboats shall yield the right-of-way to non-motorized watercraft.

### Think before you drink!

Operating while under the influence of intoxicants is ILLEGAL! Judgement is impaired, reaction time slowed, and the senses are inhibited.

### Boating Fatalities – Alcohol Involvement (Wisconsin)

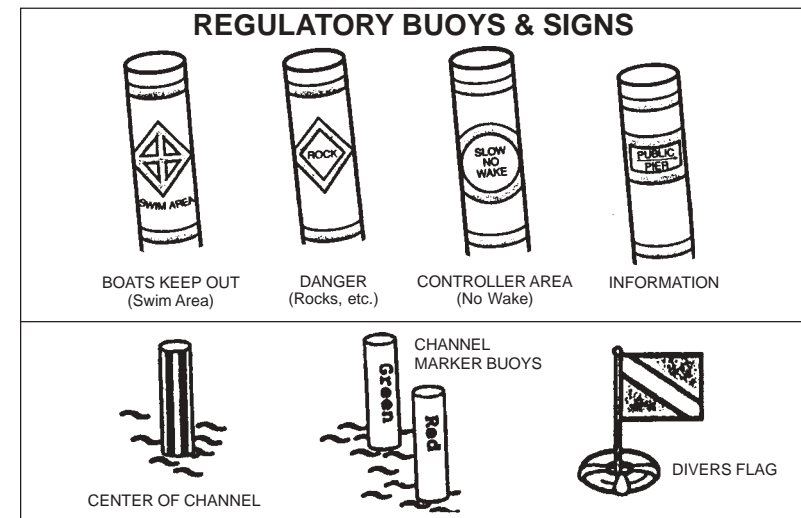

### Control your boat's speed.

Imprudent speed is a major factor in boating collisions. Know the limitations of your boat, how it handles in all sorts of conditions.

### Be alert for changes in weather conditions.

Learn the meaning of waterway marker symbols and dive flags.

Read and know the Wisconsin Boating Regulations.

### REQUIRED EQUIPMENT:

1. A U.S. Coast Guard approved life preserver for each person on board.
2. Lights must be ON sunset to sunrise.
3. Storage battery must be covered and secured against shifting.
4. Motorboats must be equipped with mufflers.
