DATE: March 3, 2011
TO: All Proposers
Request For Bids #111012: Highway Signs
FROM: Carolyn Clow, Purchasing Agent
SUBJECT: ADDENDUM #2

The following response is provided to questions received regarding the bid:

1. Attachment 1 on the Rural address signs shows sign to be made with HIP Green and HIP White. When making a sign you are suppose to start off with a reflective and use an ec film or screen print (with appropriate ink not to void warranty). If we put HIP on HIP it will cancel out the name. We screen print for large quantities and thermal print or plot for small quantities. Is this ok? **The sign must be manufactured as specified with the High Intensity Green Background with High Intensity White Edge.**
2. Must every item be bid in order to be considered? **No**
3. What color is your ID: M360066 "Junction" M2-1? **Black & White**
4. What color are the following signs;
 - a. a. M3-1-M3-4 **black & white**
 - b. b. M4-3-M4-6 **black & white**
 - c. c. M5-1-M6-6 **black & white**
5. Do you require just sheeting (no buttons) on your OM2 6x12? **Just sheeting.**
6. Please verify if you want the Fluorescent Yellow Green on the "School Bus Stop Ahead" Symbol 30x30 S3-1. **Yes, they should be Flourescent Yellow Green**
7. In bid 111012 the stated sign thickness is required to be 0.100" for the majority of signs. Will you accept a bid for signs 0.080" thick? **No.**

All other terms and conditions of Bid #111012 remain in effect, unchanged. This addendum becomes a part of Bid #111012.

Please acknowledge receipt of this addendum by noting “Addendum #2 Received” on the bottom of the Signature Affidavit when you submit your bid.

If you have any questions regarding this addendum, please contact me at 608/266-4966.
