### **ADDENDUM # 5**

DATE: [November 24, 2010](#)  
TO: All Prospective Proposers  
SUBJECT: [Request for Proposal \(RFP\) #110100 Interoperable Voice Radio Communication System](#)

The following addendum becomes a part of the above referenced RFP. All other terms and conditions remain in effect, unchanged.

- A. Changes to Specifications: The following requirements have been changed as follows:
- Special Instructions [Cover page of RFP]: The third bulleted item in the Special Instructions shall be stricken as it is written and replaced with the following bulleted item:  
“ Submit one original and 15 copies of your technical proposal”
  - Section 3.4, including 3.4.5: The weight applied to the criteria of “Lifecycle cost of infrastructure and services” shall be changed to “40 points” and the “Total” score for proposals shall be changed to “110 points”. (The weights (points) for other criteria described in Sections 3.4.1 through 3.4.4 remain as listed in the RFP.)
  - Section 3.5: The second sentence of this section shall be changed to read as: “The scoring is on the interview alone and will be based on a point system of 50 points that reflects a point score for each of the questions requested of the proposers.”
- B. Rationale: Through this Addendum, Dane County has adjusted and clarified the evaluation point values as described herein in order to:
- i. Provide proposers with a final determination regarding the weight (i.e., the number of points) associated with the oral presentations.
  - ii. Assign an overall weight of 25% to the criteria of “Lifecycle cost of infrastructure and services” (i.e., by adjusting and assigning the point values described herein, the criteria of “Lifecycle cost of infrastructure and services” becomes 40 of an overall total (including proposals and oral interviews) of 160 points).

Please acknowledge receipt of addendum(s) on the bottom of the Signature Affidavit when you submit your proposal.
