RE: USA expansion

The Town of Sun Prairie Board met Monday, Jan 9, 2017 to review the City's Urban Service Area expansion to approximately 95 acres, located west of Reiner Road and south Capitol Drive. The Town Board members had four distinct reasons to support this expansion.

1. The area has poor- moderate quality farmland
2. It is a compact development
3. Supported by existing transportation routes
4. Has limited water quality impact

Sincerely on behalf of the Town Board,

Jo Ann Ramsfield, Clerk
