you can listen to the notification***

If you do NOT enter your PIN, the system will call you again in two hours. You MUST enter your four digit PIN to hear the notification message.

Firearm Restriction: If an injunction is issued at your hearing, it may have a firearm restriction. If it does, you will be notified when the respondent surrenders any firearms to local law enforcement. The respondent may be able to surrender firearms to a third party, in which case you may not be notified. Please be aware that not all orders have a firearm restriction.

Important Safety Reminder: Do not rely solely on VPO for your safety. If you feel you may be at risk, contact your local law enforcement agency to report concerns and/or victim service agency for assistance with safety planning.
