**Statement of Facts:** State when, where, what happened, and who did what to whom. You may wish to refer to the Petition for instructions and definitions that relate to your statement of facts, before writing the same. It may be helpful to be specific when writing about what the Respondent did to the Petitioner. For example, if some type of physical abuse has occurred you may choose to state that "He/She punched me in the eye" verses "He/She abused me." If the Respondent threatened you, you may choose to state that "He/She told me that they were going to kill me," verses stating that, "He/She threatened me." It is helpful to give places, dates and times for each incident you describe; they need not be exact, but you will want to identify approximately when and where the incidents occurred.
