**SUBCHAPTER I
NMP MORATORIUM**

82.01 TITLE. This chapter may be referred to as the Miscellaneous Planning and Development Ordinance.

82.02 ADMINISTRATION. This chapter shall be administered by the Planning and Development Department.

82.03 NORTH MENDOTA PARKWAY MORATORIUM. (1) *Authority.* This section is enacted to promote the public safety, convenience and general welfare of the citizens of Dane County, as authorized by sections 59.69 and 236.45, Wisconsin Statutes.

(2) *Purpose.* The adoption of this section is supported by the following findings:

1. The North Mendota area of Dane County, including areas located within the Towns of Springfield and Westport, the Village of Waunakee, and the Cities of Middleton and Madison, has and continues to experience

increasing growth pressure, requiring an integrated strategy for dealing with transportation issues and other secondary effects upon the land in the area.

2. Dane County and the aforementioned municipalities participated in a North Mendota Parkway Advisory Committee that approved a final report and recommendation on October 23, 2003.

3. On March 8, 2004 the Dane County Board of Supervisors approved the North Mendota Parkway Advisory Committee’s Final Report and Recommendations.

4. On June 21, 2007, the Dane County Board of Supervisors approved an Intergovernmental Agreement with the aforementioned municipalities, and that Agreement was fully executed by the parties on June 26, 2007.

5. The Intergovernmental Agreement requires that all parties adopt a short-term development moratorium on land divisions, subdivisions, rezonings and conditional use permits in the defined North Mendota Parkway area within 60 days of complete execution of the Agreement.

6. Dane County has invested a substantial amount of time and money into the cooperative planning process with the other parties to the Agreement regarding the long-term needs of the North Mendota Parkway area.

7. Existing county ordinances may allow new development or intensification of existing development in the unincorporated portions of the North Mendota Parkway area that may hamper and curtail the effectiveness of the ongoing planning process.

8. A short-term development moratorium on the acceptance, review and approval of land divisions, subdivisions, rezones and conditional use permits in the North Mendota Parkway area will provide the county and other participating municipalities an opportunity to place the North Mendota Parkway on the official maps of all of the parties to the Intergovernmental Agreement.

9. The Dane County Board of Supervisors believes that the adoption of a short-term moratorium will promote the public health, safety, general welfare and convenience of the county and encourage the most appropriate use of land in the North Mendota Parkway area.

(3) *Applicability.* This section shall apply to lands in Dane County within the Towns of Springfield and Westport located in the North Mendota Parkway area as shown on the map

that is attached hereto and incorporated into this section by reference.

(4) Duration. This section shall expire either 24 months after its effective date or upon all parties to the Intergovernmental Agreement placing the North Mendota Parkway on their official maps, whichever occurs first.

(5) Development moratorium. There is hereby established a temporary moratorium on the acceptance, review and approval by county officials and staff of any application for a land division, subdivision, rezone or conditional use permit received by the county on or after the effective date of this ordinance.

(6) Exceptions. Notwithstanding the provisions of sub. (5), the moratorium shall not apply to the following:

1. A complete land division, subdivision, rezone or conditional use application that is submitted in conformity with the applicable county ordinances on or before the effective date of this section.
2. Certified survey maps that do not create additional building sites.
3. Divisions of land or rezones that are necessary to avoid a property owner being denied all economic use of his or her land.
4. Divisions of land that are essential for the correction of or remediation of a situation that threatens the public health or welfare.

(7) Variances. 1. Any property owner of property within the North Mendota Parkway area, or his or her agent, may apply to the Zoning & Land Regulation Committee for a variance from the terms of this section.

2. Application for a variance shall be made to the Zoning Administrator and processed pursuant to the procedures as set forth in section 10.255(2).

3. Upon receipt of an application, the Zoning Administrator shall refer the application to the North Mendota Implementation Committee, which may make a recommendation to the Zoning & Land Regulation Committee.

4. A variance from the terms of the moratorium may be granted if the applicant demonstrates that the proposed development is not detrimental to potential routes of the North Mendota Parkway or the E-way.

(8) Inconsistent ordinances voided. All ordinances or provisions of ordinances inconsistent with or contravening the provisions of this section are hereby temporarily voided and shall have no legal force or effect during the period of this ordinance.

(9) Severability. If any part of this section is deemed to be unconstitutional, unlawful or invalid by a court of competent jurisdiction, the remainder of the section shall not be affected thereby.
