(1)(a) A slow-no-wake zone is hereby established to be a zone along the entire shorelines of Lakes Mendota, Monona, Waubesa and Kegonsa which is demarcated by a line drawn parallel to and two hundred feet distant from the shoreline and which encompasses all surface waters between that line and the shoreline.

(c) A slow-no-wake zone is hereby established on the entire surface of Lake Monona from sunrise to midnight on the date when Rhythm &

Booms fireworks display is held on Lake Monona in the City of Madison.

(d) The Sheriff may order the placement of buoys temporarily prohibiting navigation on areas of Lakes Mendota and Monona during special events that may interfere with navigation or pose a threat to life or property.

(2) Notwithstanding that the surface of any lake may be beyond the slow-no-wake zone established in sub. (1)(a), no person may operate a motorboat within 100 feet of any dock, raft, pier or buoyed restricted area on any lake at a speed in excess of the slow-no-wake speed except under s. 30.69(3), Wis. Stats.

(3)(a)1.
