

Implementation Summary Table				2013 5-yr Update				
Page	Chapter 3. Transportation	Responsible Entity	Related Planning Processes	Status 2013	Keep?	Modify?	Done?	Notes
<b>Overall Transportation</b>					X			
26	1. Promote a coordinated planning approach to address the interrelated nature of transportation issues by following key concepts.	Metropolitan Planning Organization (MPO)	Regional Transportation Plan 2030	Ongoing	X			
27	2. Promote multi-modal uses along transportation and utility corridors.	County Board (CB)		No Progress	X			
<b>Air Transportation</b>					X			
27	1. Support the <i>Dane County Regional Airport Master Plan's</i> promotion of compatible land uses.	Municipalities, Dane County Airport and Dane County Airport Commission	Dane County Regional Airport Master Plan	Ongoing	X			
27	2. Master planning and promotion of compatible land uses should be applied to all municipal airports in Dane County	Dane County Airport, Dane County Department of Planning and Development, MPO, and municipalities		Ongoing	X			
27	3. Plan for municipal airports and rural air fields, as well as that for the regional airport. Examples of uses of smaller airports include air ambulance service, personal business use and insect and seeding spraying.	Dane County Airport, Planning and Development, and towns		No Progress	X			
27	4. Include transportation of agricultural goods to market in all long-term planning related to airfreight transport.	Dane County Airport, Dane County Department of Planning and Development, MPO, and municipalities		Ongoing	X			
<b>Bicycle and Pedestrian Transportation</b>					X			
28	1. Continue to program and build major bikeway facilities within urban service areas countywide.	MPO and Capital Area Regional Planning Commission (CARPC)	Regional Transportation Plan 2030; Bicycle Transportation Plan for Madison Urban Area and Dane County	Ongoing	X			
28	2. Continue Dane County's efforts to link bike trails as outlined in the <i>Dane County Parks and Open Space Plan</i> .	Dane County Parks and Dane County Planning and Development	Dane County Parks and Open Space Plan	Ongoing	X			
28	3. Encourage all villages, cities and towns in the county to develop bikeway systems, routes and facility plans as part of transportation planning efforts they may undertake.	MPO, County Planning and Development and CARPC	Regional Transportation Plan 2030	Ongoing	X			
28	4. Continue to provide public information via internet, brochures, special events, and other means to notify the public of where and when bikeway routes and facilities are available.	MPO, County Parks Department, Bicycle advocacy groups	Dane County Parks and Open Space Plan	Ongoing	X			
28	5. Encourage the inclusion of bikeway and pedestrian improvements in all development proposals.	Municipalities	Regional Transportation Plan 2030	Ongoing	X			
28	6. Adopt countywide signage for bike facilities.	Dane County Parks Department and County Planning and Development		No Progress	X			
28	7. Review and enhance the Dane County bike plan, as appropriate.	Dane County Parks, Planning and Development and MPO		Ongoing	X			

Implementation Summary Table				2013 5-yr Update				
Page	Chapter 3. Transportation	Responsible Entity	Related Planning Processes	Status 2013	Keep?	Modify?	Done?	Notes
28	8. Encourage municipalities to adopt ordinances that require the installation of sidewalks in all urban and suburban subdivision developments.	CB		No Progress	X			
28	9. Encourage municipalities to adopt design guidelines and other standards to encourage more pedestrian trips, especially to governmental facilities such as parks, schools and libraries.	CB	Wisconsin Pedestrian Policy Plan 2020	No Progress	X			
28	10. Provide for pedestrian connections to park and ride lots, bus transfer points, and other intermodal transfer facilities.	Wisconsin Department of Transportation (WisDOT), Dane County Public Works Highways and Transportation, MPO and municipalities	Regional Transportation Plan 2030	Ongoing	X			
28	11. Encourage municipalities to adopt design guidelines that encourage commercial buildings and community facilities to be built up to the sidewalk and locate parking lots to the back and side.	CB		No Progress	X			
28	12. Encourage countywide countdown pedestrian crossing signals.	CB		No Progress	X			
28	13. Maintain or add bike trails along rail corridors.	Dane County Parks and Public Works Highways and Transportation		Ongoing	X			
<b>Rail</b>					X			
29	1. Continue to consider initiatives to bring enhanced passenger rail options to the Dane County area.	WisDOT, participating municipalities		No Progress	X			
28	2. Maintain or add bike trails along rail corridors.	Dane County Parks and Public Works Highways and Transportation		Ongoing	X			
28	3. Provide public transit at intercity rail stations in the county.	WisDOT and municipalities	Transport 2020	No Progress	X			
29	4. Preserve rail corridors for high speed rail service as defined in Midwest Regional Rail System.	WisDOT	Midwest Rail Initiative	No Progress	X			
29	5. Improve rail crossing safety particularly along high-volume rail lines, e.g., add gates and signals.	WisDOT	Wisconsin State Rail Plan	Ongoing	X			
29	6. Include transportation of agricultural goods to market in all long-term planning related to rail freight.	MPO, WisDOT		Ongoing	X			
<b>Streets and Roadways</b>					X	X		
29	1. Participate in, and implement recommendations of the <i>Regional Transportation Plan 2030</i> .	Dane County Public Works, Highways and Transportation Department and MPO	Regional Transportation Plan 2030	Ongoing	X			
29	2. Start detailed planning and construction of street and roadway projects as defined in the <i>Transportation Improvement Program (TIP)</i> .	WisDOT and Dane County Transportation and Public Works	Transportation Improvement Plan (TIP)	Ongoing	X			
29	3. Incorporate bikeway, transit and other facilities as a part of major street and roadway improvement projects.	Dane County Public Works Highways and Transportation Department and municipalities	Regional Transportation Plan 2030	Ongoing	X			
29	4. Highway shoulders and crossings should be designed to accommodate farm equipment, bicycles and other uses to minimize conflicts with automobile traffic.	Dane County Public Works Highways and Transportation Department, WisDOT		Ongoing	X			
29	5. Include transportation of agricultural goods to market in all long-term planning related to truck freight.	WisDOT, MPO		Ongoing	X			

Implementation Summary Table				2013 5-yr Update				
Page	Chapter 3. Transportation	Responsible Entity	Related Planning Processes	Status 2013	Keep?	Modify?	Done?	Notes
29	6. Continue official mapping and other programs to preserve corridors for possible future travel uses.	WisDOT, MPO, municipalities	Regional Transportation Plan 2030	Ongoing	X			
30	7. Use street and roadway access control measures as a means of preserving travel capacity on existing streets and roadways, and of seeking safe and appropriate driveway access points.	Dane County Public Works Highways and Transportation and municipalities	Regional Transportation Plan 2030	Ongoing	X			
30	8. Continue transportation system measures (TSM), to make the most efficient use of the existing transportation system.	WisDOT, municipalities	Regional Transportation Plan 2030	Ongoing	X			
30	9. Invite neighboring counties to participate in a south central transportation plan.	Dane County Planning and Development		No Progress		X		May need to modify to ensure south central transportation plan is still ongoing.
<b>Transit</b>					X	X		
30	1. Support and maintain the current transit system while moving toward an expanded and more comprehensive transit system.	WisDOT, Metropolitan Planning Organization (MPO), County and individual municipalities	2004-2008 Transit Development Plan; Regional Transportation Plan 2030	Ongoing		X		update plans listed
31	2. Encourage all land use developments to be located in a manner that supports and serves increased transit use.	Municipalities	2004-2008 Transit Development Plan; Regional Transportation Plan 2030	Ongoing		X		update plans listed
31	3. Improve coordination of service among the various providers of specialized transportation service and information.	Dane County Health and Human Services, MPO, City of Madison		Ongoing	X			
31	4. Inventory transit stops for compliance with the Americans with Disabilities Act (ADA) and coordinate with municipal street departments in scheduling improvements to bring them into compliance with ADA.	Municipal transportation, public works and engineering departments		Ongoing	X			
31	5. Implement seamless transfers between transit modes (for example one fare/pass)	MPO, municipalities and Madison Metro		Ongoing	X
